AUTHORIZING THE COMMISSIONER IN SIND TO FIX RATES FOR THE USE BY LAND-HOLDERS IN SIND OF WATER FOR CULTIVATION OF RICE.

Notn. No. 4213, Revenue, dated 21st July 1881, B. G. G., 1881, Pt. I, p. 396.

The following rules sanctioned by Government are published:—

In exercise of the powers given by Section 55 of Bombay Act V of 1879, the Governor in Council authorizes the Commissioner in Sind to

(1) This clause has since been modified by Government Notification No. 4602, Revenue, dated 7th May 1908, printed on this page.

fix rates for the use by land-holders and others of water the right to which vests in Government, for the cultivation of rice on any land not assessed and entered in the survey registers as rice land.

2. The amount of such rate shall be subject to the approval of Government, and shall, after sanction, be notified in the office of the Mukhtyárkar of the táluka in which the land on account of which the rate is levied is situated.

3. Any person desiring to grow rice in land not assessed as rice land shall make an application in writing to the Mukhtyárkar or other officer duly authorized to receive such application, for permission to make use of the supply of water needful for growing rice, stating if he requires it for one year only or permanently; and if any person cultivates rice in such land without such permission he shall be charged with double the rate he would otherwise have been required to pay had he applied for and obtained permission.

4. All persons who now hold or may hereafter apply to take up lands assessed and recorded in the survey registers as rice lands shall, as soon as possible after the publication of these rules or on application to take up such lands, be tendered a list of such rice lands then being or about to be in their occupation, and rice shall not be grown on any number not included in such lists except on payment of the extra rate.

AUTHORIZING THE COLLECTORS IN THE PRESIDENCY, EXCEPT IN SIND, TO FIX RATES FOR THE USE OF WATER BY LAND-HOLDERS AND OTHER PERSONS.

Notn. No. 4437, Revenue, dated 4th June 1896, B. G. G., 1896, Pt. I, p. 583.

In exercise of the powers conferred by Section 55 of the Bombay Land Revenue Code, 1879, the Governor in Council is pleased to authorize all Collectors in the Presidency, other than Collectors in the Province of Sind, to fix such rates as he may from time to time deem fit to sanction for the use, by land-holders and other persons, of water within the limits of their respective districts, in all cases in which the right to such water vests in Government, and no rate in respect thereof is leviable under the Bombay Irrigation Act, 1879.

DIRECTING THAT IN THE THÁNA AND KOLÁBA DISTRICTS AND IN ANY OTHER DISTRICT TO WHICH GOVERNMENT MAY HEREAFTER EXTEND THESE ORDERS, CERTAIN CONDITIONS REGULATING THE CUTTING OF TREES FOR TAHÁL SHALL BE ANNEXED TO THE OCCUPANCY BEFORE PERMISSION TO OCCUPY IS GRANTED UNDER SECTION 60.

Notn. No. 2154, Revenue, dated 1st March 1909, B. G. G., 1909, Pt. I, p. 385.

In exercise of the powers conferred by Section 62 of the Bombay Land Revenue Code, 1879 (Bom. V of 1879), the Governor in Council is pleased to direct that in the Thána and Kolába Districts and in any other district to

which Government may hereafter by notification extend these orders, the following conditions, regulating the cutting of trees for tahál, shall be annexed to the occupancy before permission to occupy is granted under Section 60 of the said Code, namely :—

Conditions.

1. Save as provided in conditions 2 and 3 no occupant shall in the land occupied cut down, pollard, or lop any tree whatever.

2. An occupant may in the land occupied cut down, lop or pollard for his own use injaili trees that are not fruit trees in accordance with the following rules but not otherwise :—

(*a*) in the case of injaili trees 10 feet* high or higher—

(i) the leading shoot must be permanently preserved along with all shoots from the topmost third of the main stem ;

(ii) shoots that have taken less than 2 years to grow may not be touched : only shoots that have taken 2 years or more to grow may be lopped off ;

(*b*) in the case of injaili trees less than 10 feet high—

(i) where several stems spring from the same root or stump the best of such stems with all shoots from it shall be left untouched till the stem is 10 feet high, but all other shoots from the root or stump or from the ground within a yard† of the untouched stem may be cut down to the ground ;

(ii) no stem growing singly may be cut or its side shoots lopped, unless it has an untouched stem growing within a yard† of it.

Provided that, with the previous permission of a revenue officer not lower in rank than a Mámlatdár, such occupant may cut down for his own use :—

(*a*) any injaili tree not useful for tahál or fruit, and

(*b*) any fruit tree and any leading shoot or best stem preserved under clause (*a*) (i) or (*b*) (i) of this rule when in the opinion of such officer such tree, shoot or stem is no longer useful for fruit or tahál.

3. With the previous permission of a revenue officer not inferior in rank to an Assistant or Deputy Collector, an occupant may in the land occupied cut down for his own use any tree other than an injaili tree.

Explanation.—The Collector or Pránt Officer may, by written order delivered to the Pátel, authorize the occupants of a village to cut down the after-growth of teak, blackwood and tivas, subject to the condition that two leading shoots from each stump with all their branches are left permanently untouched and may at any time modify such order by withdrawing such authority either from particular occupants or from all the occupants or

* This should be translated in Maráthi "1½ purush", a purush being the height to which an average man can reach standing.

† This should be translated in Maráthi "1½ hát".

in respect of particular areas, and such order as so modified shall be a saving order under condition 3.

Note.

1. In these conditions :—

(*a*) the word "tree" includes all ground shoots which grow into trees, such as Kuda, Kudi, Pethari and Chera, but does not include bushes; and the word "bush" shall be deemed to include all ground shoots which do not grow into trees such as Karand, Ukshi, Phangli, Dhaiti and Nirgudi;

(*b*) the word "occupant" includes—

(i) all persons who personally cultivate the soil, whether as tenants or in their own right;

(ii) all land-lords resident in a village and holding land therein, whether they cultivate the soil personally or through tenants;

but does not include non-resident land-lords.
